## Which Subscription Package is Right for Your Team?

# THE NEW TRAINING PROGRAM

Hercules & Hercules, Inc.'s training classes will be orchestrated by an ISSA Cleaning Industry Management Standard Certification Expert. Upon completion each participant will receive a certificate highlighting their product knowledge of up-to-date industry technology and innovative cleaning techniques.

Training is customized to fit the needs of your staff and facility. Sessions are provided on-site or at our Detroit Training Facility based on your needs. There will be six classes offered per year for a **standard subscription package**. We are able to provide training from our list of standard classes or based upon your specific needs we can construct a customized training plan that is right for your team.
